

The members of the Americal Veteran's Association very much appreciate the 1969 July-August 3/1st Inf. Bn. S2/S3 reports provided by Mr. Charles Wood. These were received by the ADVA Vietnam era historian in October 2010. Mr. Wood is a veteran of 3/1st Inf. Bn. who maintains the 3/1st Inf. Bn. Web-site. He obtained the copies from the late 3/1st Inf. Bn. commander, LTC Leslie Stottle. LTC Stottle had used these documents to help create a wonderful historical summary for the 3/1st Inf. Bn. and D 6/11th Arty ("The Hill"). The images of the original reports are available in PDF format. The transcribed file has been proofread to correct typos by J.J. Williams a veteran of D/4/3rd Inf Bn; 11th Inf Bde in January 2011. The transcribed version was developed to search on key words and email information. However, it is more reliable to use the original PDF images as a source reference. Some typos have been corrected to make the text more easily searched for key words. Example: Gernade was corrected to Grenade. And Chu Hoi was corrected to Chieu Hoi.

Leslie Hines December 2010.
